Our executive director, John Sawyer, a close friend and collaborator of Peter Scazzero for over 15 years will lead the presentation. With firsthand experience and deep insights, John will guide us through the principles and practices that make Emotionally Healthy Discipleship a game-changer for personal growth and community development.

Whether you're new to the concept or looking to deepen your understanding, this session is designed to provide valuable insights and practical takeaways. Plus, you'll have the chance to connect with others who share your passion for spiritual and emotional growth.
